

Freedom of Speech! The Right to Criticize the Government! Diversity of Ideas!

These are fundamental freedoms in a great democracy like ours, and I would hope a federal agency like the FCC would continue to regulate communication businesses to support these freedoms. We are already in danger of being swallowed up by big business and corporate interests. Please continue to protect the people!

Lifting the cross-ownership ban to allow further media consolidation will NOT serve the public interest. Please protect the diversity and freedom of ideas that otherwise would be hampered by consolidation!

Sincerely,  
Lucy Phillips
